

SUGARCANE & BAMBOO SUSTAINABLE SYSTEMS BY FIG

Our super-efficient dispensers reduce usage and costs. It's like super-concentrate paper, we cram LOADS of paper into each box and our efficient dispensers make each box last a really long time so your monthly costs are reduced!

SUGARCANE TOILET ROLL

One case of FIG sugarcane toilet roll can last as long as 6 cases of 150m mini jumbo's!

With zero waste, the feed restrictors inside the dispensers slow down the rolls and reduce usage meaning that each roll lasts even longer AND it's sustainable sugarcane paper!

Seamless, 'easy wipe' front covers, with no join for dirt and bacteria to get into.

Time = money!
Huge capacity means less refilling:
Vertical dispenser 1,800 sheets
Horizontal dispenser 2,514 sheets

Antibacterial protection impregnated into the whole front cover.

The feed restrictors inside both dispensers slow down the rolls, reducing usage & wastage.

Sugarcane eco-friendly,
high quality 2-ply toilet tissue.

BAMBOO HAND TOWELS

One case of FIG roll towel can last as long as 6 cases of C-fold hand towels!

Anti-bacterial protection impregnated into the whole front cover.

Seamless 'easy-clean' front cover with no join for dirt or bacteria to get in.

Reduced usage compared to folded hand towels as each sheet needs to be pulled out with two hands meaning you can only take one sheet at a time.

Bamboo roll towel has natural anti-bacterial properties and is a great sustainable solution

SUPER CONCENTRATE SOAP & SANITISER

One FIG refill lasts as long as 6 x 1 litre of liquid soap:

Variable dosage control inside delivers up to 4,000 doses per refill

Seamless 'easy-clean' front cover with no join for dirt or bacteria to get in.

Anti-bacterial protection impregnated into the whole front cover

Time = money.
More doses per refill means less time refilling!
